

INFO ON FIGURES

The figures in this ZIP file first appeared in:

- Jason J. Du Mont & Mark D. Janis, *U.S. Design Patent Law: A Historical Look at the Design Patent/Copyright Interface*, in *THE COPYRIGHT/DESIGN INTERFACE: PAST, PRESENT & FUTURE* (Estelle Derclaye ed.) (Cambridge University Press, forthcoming 2017), <https://ssrn.com/abstract=2852453>

We have made the figures available in a high resolution format (PNG), so they can be used by anybody interested in their contents. For those that would like to make minor alterations, we have also included the original STATA files (GPH).

If you incorporate the figures into your work, we only ask that you cite the chapter. Thanks for your help!

Best Wishes,
Jason
